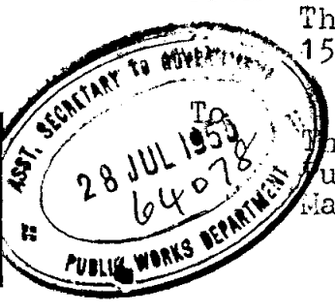
FOR MYSORE STATE

GOVERNMENT ELECTRICITY DEPARTMENT.
****

From

The Chief Operation Engineer (South),
157, Mount Road, Madras.



To

The Secretary to Government,
Public Works Department,
Madras.

No.1303-C/53-229 dated 25-7-55.

Sir,

Sub:- Community projects - Electricity - Extension of supply of power in South Kanara Community Project area.
Ref:- G.O.Ms.No.1183, Public (RDP) Department, dated 5-4-1955.

In the peference cited above, Government have agreed to the proposal to utilise the provision of Rs.15/- lakhs for expenditure during 1955-56 in respect of South Kanara C.P. area. This amount has to be spent before the end of this year.

It is proposed to utilise this amount for the execution of the following schemes:-

	Estimated cost Rs.	Position.
1) Mangalore-Moolki-Suratkal Extensions.	7.603 lakhs.	Sent to Government in letter No.E3/A3/R1 /1220-F/55-2 dated 10-6-55.
2) Kaup-Hejmadi-Mundkur Extensions	2.78 lakhs (estimated cost 6.042 lakhs)	Sent to Government in letter No.~~E3/A3/R1~~ /21-F/55-6 dated 6-7-55.
3) Udipi-Hebri Extensions.	4.46 lakhs.	Being finalised.

The entire scheme for extension of supply of power to Mangalore-Moolki-Suratkal etc. lies in the South Kanara C.P. area. This scheme is estimated to cost Rs.7.603 lakhs initially rising to Rs.16.6 lakhs ultimately. Item No.2 viz. Kaup-Hejmadi-Mundkur Extensions is estimated to cost Rs.6.042 lakhs initially rising to Rs.10.632 lakhs ultimately. But only a portion of this scheme covering 10 villages is inside the C.P, area and the estimated cost of the scheme of this portion is about Rs.2,78 lakhs. The scheme for extension of supply to Udipi-Hebri is estimated to cost of Rs.4.456 lakhs initially rising to Rs.6.768 lakhs ultimately. The scheme report of this is under finalisation in the field and will be forwarded to Government shortly.

As the amount of Rs.15.0 lakhs has to be utilised before the end of this year, it is desirable that the three schemes

referred to above are taken up for execution immediately without any loss of time. Otherwise it may not be possible to take advantage of the loan amount. I therefore request that the two schems/referred to above viz., items 1 and 2 may be sanctioned immediately so that the work on the schems can be taken up and completed very early.

In case some delay is anticipated in sanction of these schemes. I request I may be authorised to take up the work in anticipation of sanction of the schemes.

(?) N. [illegible]

GOVERNMENT ELECTRICITY DEPARTMENT

From

The Chief Engineer for Electricity,
157, Mount Road, Madras-2.

To

The Secretary to Government,
Public Works Department,
Fort St. George, Madras-9.

No.21.F/55-7 dated 11th August 1955.

Sir,

Sub: Electricity - Extension of supply of Electricity in South Kanara District - Kaup-Hejmadi major scheme - Permission to take up work - Requested.

file as 033345 E/55 connected papers

Ref: My letter No.21 F/55-6 dated 6-7-1955.
G.O.E.(S) letter No.1303.C/53-229 dated 25-7-55.

Appl 3 and

The construction works in South Kanara Area on major electricity distribution schemes that are already sanctioned are almost completed and further execution of major schemes can be taken up only after sanction of Government is received for the following two schemes.

i) Kaup-Hejmadi extensions (forwarded to Government in my No.E3/A3/R1/21F/55-3 dated 21-4-55).

file as 033345 E/55 connected papers

ii) Mangalore-Modky extensions (forwarded to Government in my No.E3/A3/R1/1220F/55-2 dated 10-6-55).

(LF) Cov 10234/55

In this connection, I invite a kind reference to the Chief Operation Engineer (South) is letter No.1303 C/53-229 dated 25-7-1955 in which early sanction of Government was sought for the above schemes in order to utilise the loan amount of Rs.15 lakhs that has been granted out of Community Project funds.

So in order to keep on the tempo of construction works in this area in full swing and with a view to keep up the construction target, I request urgent orders of Government to take up for execution at least the Kaup-Hejmadi major scheme in anticipation of sanction of the scheme. In anticipation of Government orders, I am instructing the Superintending Engineer, Pykara Electricity System to take ap all preliminary works for the execution of Kaup-Hejmadi scheme straightaway and I would also request necessary ratification of Government in this connection.
